SYNERGY

Moving as ONE

We are pleased to announce that effective January 1, 2018 Communication Integrity Group merged with TIP N RING. This is a very exciting event for both of our companies, employees and our clients. Our greatest assets have always been our people, and by joining forces we have just made a great impact in the quality of that asset.

We are forging a new company with enhanced and NEW Products & Services, and expertise. Our merger will create a more comprehensive infrastructure with faster response times. It will also produce an expanded base of highly qualified employees that translates into better service at a preferred price for our customers. This is a merger of two highly compatible companies. The two organizations have worked together frequently in the past. We hold similar values and philosophies on doing business; Producing an excellent job for the client, an emphasis on INTEGRITY, and the importance of making sure the job gets done for our valued customers.

You will still be working with the same individuals that you have been working with in the past, and you can depend on the same quality of work. Our new corporate headquarters are in the Mertieux Caves at 17501 W 98th Street #18-60 Lenexa Kansas 66219.
